NATURAL  
RUBBER  
LATEX

**NO MORE SINGLE  
USE PLASTICS**

- ♻️ SUSTAINABLE
- ♻️ BIODEGRADABLE
- ♻️ RECYCLABLE
- ♻️ PRINTABLE

The new BalloonGrip and our natural rubber latex balloons are made from sustainable raw materials and will biodegrade. Available in stock colours and designs or can be customised (MOQs apply). The BalloonGrip comes flat-packed, saving packaging, and is easily folded to make a balloon holder as an alternative to plastic sticks.
